

Diko

Versatilità, indipendenza, funzionalità: questi sono i valori espressi dalla madia Diko, con uno stile unico che si presta a infinite variazioni e soluzioni. Proposta con ante, cassetti o cesti, anche con ripiano in vetro, può cambiare stile e personalità a seconda delle finiture.

Versatility, independence and functionality: these are the values captured by the Diko sideboard, with its unique style that is perfect for limitless variations and solutions. Available with doors, drawers or compartments, also with a glass shelf, it alters style and personality based on the selected finishes.

DIKO

design R&D Alf DaFrè

Il sistema si arricchisce del nuovo modulo contenitore indipendente Diko: una madia funzionale che può avere tante espressività e tante vite. Proposta nella versione a 2 o 4 ante, anche con l'aggiunta di un ripiano in vetro. L'ampia scelta di colori e finiture: rovere laccato opaco, fashion wood, laccati lucidi e laccati micalizzati la rende adatta ad ogni interno e stile.

The collection has been enhanced with the new Diko free-standing storage unit, a functional sideboard that can add a huge amount of expression and life. It is available with 2 or 4 doors, and also with the addition of a glass shelf. The wide range of colours and finishes, including matt lacquer oak, Fashion Wood, high-gloss lacquers and micalised lacquers, make it ideal for any interior or style.
